Building the New St. Vladimir's How <u>EVERY</u> <u>ONE</u> <u>OF</u> <u>US</u> Can Help

As most of our parish family is aware, **we have met our goal of gathering $1,000,000 in pledges and cash** towards the building of our new parish church and educational center. We have also been able to pay off our entire existing mortgage outstanding from our 2006 parish expansion. We are thankful to our donors, to our Philanthropy Team who has worked so hard to get us to this point, and especially to our Merciful Lord Who has blessed us with this success. **We humbly confess that "every good gift and every perfect gift is from above, and cometh down from the Father of lights..." (James 1:17) and attribute all this to God's goodness.**

That all being said, <u>WE</u> <u>ARE</u> <u>NOT</u> <u>DONE</u>! *We also have a goal of 100% participation in our Capital Campaign.* That is, we are striving for, and asking the Lord to bless us to involve every single one of our parish family members in this effort. <u>WE</u> <u>NEED</u> <u>YOUR</u> <u>SUPPORT</u> <u>AND</u> <u>INVOLVEMENT</u>! You can make a difference in the future of our parish! Each of our parish members will be contacted by one of our Philanthropy Team (see below) to set up an appointment to discuss the project and how every single one of us can be involved. Please do work with the Philanthropy Team to investigate how you can take part! **This is a family effort and we are eagerly seeking the entire parish family's participation**!

The entire project is estimated to cost $4,100,000. So although we must thank the Lord that He has blessed us to get to this point we still have some work to do. HOWEVER, with our sincere effort and the Lord's blessing we have real hope that we can do this – and do it soon! Please contact one of Philanthropy Team members below with questions (or if you just can't wait for their call to you to get involved!).
